

# Terms & Conditions

## Med24x7

Welcome to the Med24x7 website. By accessing or using this website, you agree to comply with the following Terms and Conditions. These terms govern the use of the website and the information made available through the Med24x7 platform.

---

## Use of the Website

The Med24x7 website is intended to provide information about the organisation, its initiatives, partnerships, and future emergency response services.

Users agree to use the website responsibly and refrain from any activity that may damage, disrupt, or interfere with the functioning of the platform.

---

## Accuracy of Information

Med24x7 strives to ensure that the information presented on this website is accurate and up to date. However, the organisation does not guarantee the completeness or accuracy of all information provided.

Content may be updated, modified, or removed without prior notice as the Med24x7 platform evolves.

---

## Intellectual Property

All materials available on the Med24x7 website, including text, graphics, logos, images, and design elements, are the property of Med24x7 unless otherwise stated.

These materials may not be reproduced, distributed, or used without prior written permission from Med24x7.

---

## User Submissions

When visitors submit information through forms on the website, including partnership requests or enquiries, they agree that the information provided is accurate and lawful.

Med24x7 reserves the right to review and respond to submissions at its discretion.

---

## Third-Party Links

The website may contain links to third-party websites or partner organisations. Med24x7 is not responsible for the content, policies, or practices of external websites.

---

## Limitation of Liability

Med24x7 shall not be held liable for any direct or indirect damages arising from the use of this website or reliance on the information provided on the platform.

---

## Service Launch and Operational Status

Med24x7 is currently in the process of establishing its emergency response infrastructure and partnership network.

The services described on this website represent the **planned and developing capabilities of the Med24x7 platform** and may not yet be operational in all regions.

Med24x7 will communicate the official launch of services through **public announcements and notifications** once operations commence in specific locations.

Users should not assume the availability of Med24x7 services in any region until such official announcements are made.
